Blocks

The calendar has been broken into 50 (orange) and 80 (green) minute blocks. 10 minutes has been left between classes for travel time.

To reduce conflicts, all classes start at a standard time as represented on the grid. Classes may end early (e.g., a 75-minute class) but they cannot start early or late.

Blocks may be combined to create lengthier classes, typically 2- or 3-hour classes, provided that the standard start time is maintained.

Start Times

Most classes start on the half hour, except as necessary for the TTh 80 minute patterns and the MWF afternoon 80-minute pattern.

Mornings

Generally, 50 minute blocks on MWF and 80 minute blocks on TTh, except for 50 minute blocks on TTh to accommodate five-day foreign language classes and labs.

*The 8:30 block MTWTF is typically available for five-day foreign language classes, and labs and discussions where students have other options for enrollment.

Afternoons

50 minute blocks on MWF and 80 minute blocks on MTWThF.

**The 80 minute block on TTh beginning at 12:00 may be extended to a 2-hour block starting at 11:30.
