

The Missoulian offers limited summer internships for students pursuing degrees in reporting and visual journalism. The newsroom is small, which gives interns the opportunity to cover breaking news, news features and projects. And the region is breathtaking. Missoula is surrounded by rivers that offer some of the best fly fishing in the country, mountains that scrape the sky and amazing hiking, mountain biking and floating opportunities. The newsroom is run by accomplished editors who love to teach.

People interested in applying should contact Kathy.Best@missoulian.com.
